

At Vari-Lite, we pride ourselves in providing unrivalled support to our customers, on both current and legacy products.

## Support

[For general questions and technical support, click here to email support@zero88.com](mailto:support@zero88.com)

## Fixture Support

[If you need to control a fixture that is currently missing from your console's library, click here.](#)

## Forum

The Support Forum is an active forum, where you can ask questions and chat with the Vari-Lite team along with Zero 88 users who regularly help one another.

Before posting it may be worth searching the forum for your query - someone else may have had the same question!
