FLX S24 & FLX S48 FEATURES

FLX S24

Ultimate portability, offering a powerful LED and moving light controller in a small 19" unit with direct access to each of the lights in your rig:

- Hands-on intuitive control via 4 encoder wheels
- Free mobile apps for wireless control (iOS & Android)
- Multi-lingual step-by-step touch screen guidance
- Art-Net 4, sACN and CITP

FLX S48

Double the power with intuitive and hands-on control of up to 96 fixtures, and a touch monitor output to provide quick access to palettes and an overview of the show:

- Control up to 96 LED, moving lights and conventionals
- 48 multi-function faders
- 97 playbacks (each with submaster & full cuestack functionality)
- 96 groups, 4 x 96 palettes (Colour, Beamshape, Position, Effect)
- DVI-D output for optional external touch screen (1024 x 768)

Wireless networking

EVERYTHING YOU NEED...

EASY COLOUR SELECTION
Quickly and accurately select colours from the multi-touch colour picker, colour palettes or even an uploaded image.

MOVING LIGHT CONTROLS
Quick and intuitive control via precise encoder wheels, multi-touch Pan / Tilt grid and automatic "Move on Dark".

DEDICATED GO & FUNCTION BUTTONS
Dedicated buttons for "GO" and other regularly used functions ensure they are always quickly and easily available.

READY TO GO...

'STEP BY STEP' GUIDANCE
FLX S "guidance" can help you through the key features of the console to learn or refresh your skills at your own pace.

APPS & NETWORKING
Free Apps act as a wireless monitor to control your rig. FLX S also supports a range of networking accessories.

RigSync
Automatically syncronise your console with your rig, without the need to understand DMX or think about patching.
